PLAINTIFF'S TRIAL EXHIBIT LIST

**DEFENDANT BLUE COAT LLC'S OBJECTIONS TO
PLAINTIFF FINJAN, INC.'S EXHIBIT LIST**

Pursuant to Section C.2 of the Court's Standing Order Re Final Pretrial Conference – Jury Trial, Defendant Blue Coat Systems LLC (“Blue Coat”) provides its objections and counter-designations to Plaintiff Finjan, Inc.'s (“Finjan”) exhibit list.

Voluminous identification of exhibits. Blue Coat objects as the inclusion of almost 1300 exhibits on its exhibit list fails to provide notice of those documents Finjan may realistically rely on at trial. By way of example and not limitation, Finjan indiscriminately includes every deposition exhibit from the current case as well as the previous case, *Finjan, Inc. v. Blue Coat Systems, Inc.*, Case No. 5:13-cv-03999-BLF, and further served the exhibit list before removing duplicates. Certain documents appear four or five times. The exhibit list also includes documents relating to patents, such as U.S. Patent Nos. 8,566,580 and 9,141,786, or products, such as to ProxyAV, SSL Visibility Appliance, and Mail Threat Defense, that are not relevant to the issues at trial.

Overdesignation of sponsoring witnesses. Blue Coat also objects to Finjan's use of an extensive list of sponsoring witnesses for each document, many of whom have no knowledge of the document and could not act as a sponsoring witness. For example, Finjan consistently identifies twenty Blue Coat witnesses as sponsoring witnesses on a document, irrespective of whether the person was included on an email string or would have knowledge relating to the subject matter of the document. Such indiscriminate identification renders designation of sponsoring witnesses meaningless.

Reservation of rights. Blue Coat reserves all rights, including its right to amend, modify, or supplement its objections to Finjan's exhibit list as trial preparation and trial progresses. Blue Coat further reserves the right to object to any exhibits to the extent they should be excluded or limited by any ruling of the Court, such as the Court's rulings on Blue Coat's *Daubert* motion or motions *in limine*. Blue Coat further reserves the right to

APPENDIX C-2**PLAINTIFF'S TRIAL EXHIBIT LIST**

object to the relevance of any of Finjan's exhibits depending on the context surrounding Finjan's proposed use of the exhibit. Additionally, Blue Coat objects to the extent an exhibit is admitted, it may be subject to an appropriate limiting instruction.

Blue Coat provides the codes below for its objections to exhibits on Finjan's Trial Exhibit List.

APPENDIX C-2**PLAINTIFF'S TRIAL EXHIBIT LIST****FINJAN'S RESPONSES TO BLUE COAT'S OBJECTIONS**

Finjan reserves its right to amend or supplement its responses to Blue Coat's objections should there be further changes to the pretrial order, Finjan's exhibit list and/or Blue Coat's exhibit list before any exhibit is introduced at trial. Finjan may rely upon Federal Rule of Evidence 104 to request the Court admit exhibits.
